**Bladen, Brunswick, Columbus, New Hanover, & Pender
Greater Wilmington Area:
Are Your TVs Ready For Digital?**

Beginning at noon on September 8, 2008, these local stations, WWAY (ABC), WSFX-TV (FOX), WECT (NBC), WILM-LP (CBS), and W51CW (Trinity Broadcasting) will broadcast only digital signals to their viewers in the counties of Bladen, Brunswick, Columbus, New Hanover, and Pender.

If you have a TV with a digital tuner, you can already receive digital broadcasts. Or, if your TV is connected to a paid service like cable or satellite, digital broadcasting should have no effect on your service. If you have any questions, call your provider.

But, if you have an analog TV with rabbit ears or rooftop antenna, you need to act:

- 1 Connect your analog TV to a digital-to-analog converter box. **Or**
- 2 Buy a digital television (a TV with a built-in digital tuner). **Or**
- 3 Subscribe to a paid TV service (such as cable or satellite TV).
