

Yomba Shoshone Tree Planting

Brief Description of Project: The Nevada Shade Tree Council holds Shade Tree Week the last week of October. In partnership with the Nevada Division of Forestry, High Desert RC&D planted trees with Yomba Shoshone elders at their new Children's Park. Six green ash trees were planted around the perimeter of the picnic area at the newly installed play area. A second tree planting was scheduled for 2005.

Sources of Funding: Nevada Division of Forestry and the U.S. Forest Service

Benefits of Project: Beautification of a family gathering area on Tribal land; work with Tribe and RC&D Sponsor.

Contact Person for Project: Mr. Wayne Dyer, HC61 Box 6275, Austin NV 89310; 775-964-2463.
