

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA

FILED

FEB 11 2008

NANCY MAYER WHITTINGTON, CLERK
U.S. DISTRICT COURT

STANDING ORDER

Pursuant to the provisions of the Criminal Justice Act, Title 18 U.S.C. § 3006A(a)(1) and (c), the Office of the Federal Public Defender for the District of Columbia is hereby appointed to represent any defendant previously determined to have been entitled to appointment of counsel or who is now indigent, to determine whether that defendant may qualify to seek reduction of sentence and to present any motions or applications for reduction of sentence in accordance with the revised base offense levels for crack cocaine, U.S.S.G. § 2D1.1.

The U.S. Probation Office of the District of Columbia is authorized to disclose Presentence Investigation Reports, Judgments, and Statements of Reasons, to the Federal Public Defender's Office for the purpose of determining eligibility for relief, and for determining whether conflict of interest precludes the Federal Public Defender from representing the client. The same materials shall be provided to the Office of the United States Attorney. The Probation Office is also authorized to disclose the report from the Bureau of Prisons SENTRY system (limited to the infraction, education, employment, program participation, and finance sections of the report) to the offices of the Federal Public Defender and United States Attorney, such release being solely for the purpose of, and limited to, determinations regarding retroactive application of the crack cocaine guideline.

Should the Federal Public Defender determine that there is a prohibitive conflict in which the prospective client's interests are materially adverse to those of a current or former client with regard to representation of a particular defendant in this litigation, the Federal Public Defender shall obtain a member of the Criminal Justice Act panel of this District to represent the defendant.

IT IS SO ORDERED.

FOR THE COURT

February 11, 2008

Thomas F. Hogan
Chief Judge
