A. Agency-specific acronyms

1. OPM - Office of Personnel Management
2. OCIO - Office of the Chief Information Officer

B. Basic terms, expressed in common terminology

1. FOIA/PA request - Freedom of Information Act/Privacy Act request. A FOIA request is generally a request for access to records concerning a third party, an organization or a particular topic of interest. A Privacy Act request is a request for records concerning oneself; such requests are also treated as FOIA requests. (All requests for access to records, regardless of which law is cited by the requester, are included in this report.)
2. Initial request - a request to a Federal agency for access to records under the Freedom of Information Act.

3. Appeal - a request to a Federal agency asking that it review at a higher administrative level a full denial or partial denial of access to records under the Freedom of Information Act, or any other FOIA determination such as a matter pertaining to fees.
4. Processed Request or Appeal - a request or appeal for which an agency has taken a final action on the request or the appeal in all respects.
5. Multi-track processing - a system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests in each track are processed on a first-in/first-out basis. A requester who has an urgent need for records may request expedited processing (see below).
6. Expedited processing - an agency will process a FOIA request on an expedited basis when a requester has shown an exceptional need or urgency for the records that warrants prioritization of his or her request over other requests that were made earlier.
7. Simple request - a FOIA request that an agency using multi-track processing places in its fastest (non-expedited) track based on the volume or simplicity of records requested.
8. Complex request - a FOIA request that an agency using multi-track processing places in a slower track based on the volume or complexity of records requested.
9. Grant - an agency decision to disclose all records in full response to a FOIA request.
10. Partial grant - an agency decision to disclose a record in part in response to a FOIA request, deleting information determined to be exempt under one or more of the FOIA's exemptions; or a decision to disclose some records in their entireties, but to withhold others in whole or in part.
11. Denial - an agency decision not to release any part of a record or records in response to a FOIA request because all the information in the requested records is determined by the agency to be exempt under one or more of the FOIA's exemptions, or for some procedural reason (such as because no record is located in response to a FOIA request).
12. Time limits - the time period in the Freedom of Information Act for an agency to respond to a FOIA request (ordinarily 20 working days from proper receipt of a

Aperfected@FOIA request).

13. Aperfected@request - a FOIA request for records that adequately describes the records sought, that has been received by the FOIA office of each agency or agency component in possession of the records, and for which there is no remaining question about the payment of applicable fees.
14. Exemption 3 statute - a separate Federal statute prohibiting the disclosure of a certain type of information and authorizing its withholding under FOIA subsection (b) (3).
15. Median number - the middle, not average number. For example, of 3, 7 and 14, the median number is 7.
16. Average number - the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7 and 14, the average number is 8.

D. Narrative Statement

The increase in number of requests is directly related to the increased number of email FOIA requests we received. The increase in costs is related to the increased number of requests processed and better accounting. Our fee collections have remained relatively stable, but the percentage of total costs recovered has decreased from 20% in FY 1999 to 12% in FY 2000 due to our increased processing costs. The majority of our requests are from individuals for personnel, investigation and retirement files and fees are not chargeable for these requests.
