

## **STATUS ON FUNDING FOR FY 2006 October 6, 2005**

At the present time, Congress has not passed an appropriation for the National Mediation Board (NMB) for Fiscal Year 2006. The NMB is currently operating on a continuing resolution.

However, no funds will be authorized for travel for the months of October and November.

The Agency will make every effort to authorize some days that may be utilized for decisions. However, we will be doing so with minimal advanced notice.

The Agency will post updates.
