

Health Professional Shortage Areas Primary Care

Health Professional Shortage Area

The data displayed in this map was created by the California Office of Statewide Health Planning and Development's (OSHPD) Healthcare Workforce Development Division (HWDD). The division is the source of the data. However, the Division acts as designated lead for the U.S Department of Health and Human Services, Health Resources and Services Administration (HRSA), Bureau of Health Professions.

-  Counties
-  HPSA - Primary Care, Geographic Designation (109)
-  HPSA - Primary Care, Population Designation (68)

The federal HPSA designation is given to areas that demonstrate a shortage of healthcare providers, on the basis of availability of primary care physicians, mental health providers, or dentists. This designation is based on the MSSA boundary, its population to (selected type of) practitioner ratio, and available access to healthcare.
