

Legal Services Corporation

§ 1628.1

disallowed expenditures by a subrecipient, irrespective of whether the recipient is able to recover such expenditures from the subrecipient.

(e) To assure subrecipient compliance with the Act, Congressional restrictions having the force of law, Corporation Regulations (45 CFR chapter XVI), and Corporation Guidelines or Instructions, contracts between a recipient and a subrecipient shall provide for the same oversight rights for the Corporation with respect to subrecipients as apply to recipients.

§ 1627.4 Membership fees or dues.

(a) LSC funds may not be used to pay membership fees or dues to any private or nonprofit organization, whether on behalf of a recipient or an individual.

(b) Paragraph (a) of this section does not apply to the payment of membership fees or dues mandated by a governmental organization to engage in a profession, or to the payment of membership fees or dues from non-LSC funds.

§ 1627.5 Contributions.

Any contributions or gifts of Corporation funds to another organization or to an individual are prohibited.

§ 1627.6 Transfers to other recipients.

(b) The subrecipient shall audit any funds subgranted to it in its annual audit and supply a copy of this audit to the recipient. The recipient shall either submit the relevant part of this audit with its next annual audit or, if an audit has been recently submitted, submit it as an addendum to that recently submitted audit.

(c) In addition to the provisions of §1627.3(d), the Corporation may hold the subrecipient directly responsible for any disallowed expenditures of subgrant funds. Thus, the Corporation may recover all of the disallowed costs from either recipient or subrecipient or may divide the recovery between the

§ 1628.1 Purpose

The purpose of this part is to set out the Corporation's policies and procedures applicable to recipient fund balances. The Corporation's fund balance policies are intended to ensure the timely expenditure of LSC funds for the effective and economical provision of high quality legal assistance to eligible clients.

§ 1628.2

45 CFR Ch. XVI (10–1–04 Edition)

§ 1628.2 Definitions.

(a) *Excess fund balance* means a recipient's LSC fund balance that exceeds the amount a recipient is permitted to retain under this part.

(b) *LSC support* means the sum of:

(1) The amount of financial assistance awarded by the Corporation to the recipient for the fiscal year included in the recipient's annual audited financial statement, not including one-time and special purpose grants; and

(2) Any LSC derivative income, as defined in § 1630.2(c), earned by the recipient for the fiscal year included in the recipient's annual audited financial statement, not including derivative income from one-time and special purpose grants.

(c) The LSC *fund balance* is the excess of LSC support plus the prior year carryover amount over expenditures of LSC funds (including capital acquisitions), as each is reported in the recipient's annual financial statements.

(d) The *fund balance percentage* is the amount of the LSC fund balance expressed as a percentage of the recipient's LSC support.

(e) *Recipient*, as used in this part, means any grantee or contractor receiving financial assistance from the Corporation under section 1006(a)(1)(A) of the LSC Act.

§ 1628.3 Policy.

(a) Recipients are permitted to retain from one fiscal year to the next LSC fund balances up to 10% of their LSC support.

(b) Recipients may request a waiver to retain a fund balance up to a maximum of 25% of their LSC support for special circumstances.

(c) Recipients may request a waiver to retain a fund balance in excess of 25% of a recipient's LSC support only for the following extraordinary and compelling circumstances when the recipient receives an insurance reimbursement, the proceeds from the sale of real property, or a payment from a lawsuit in which the recipient was a party.

(d) A waiver pursuant to paragraph (b) or (c) of this section may be granted at the discretion of the Corporation pursuant to the criteria set out in § 1628.4(d).

(e) In the absence of a waiver, a fund balance in excess of 10% of LSC support shall be repaid to the Corporation. If a waiver of the 10% ceiling is granted, any fund balance in excess of the amount permitted to be retained shall be repaid to the Corporation.

(f) A recovery of an excess fund balance pursuant to this part does not constitute a termination under 45 CFR part 1606. See § 1606.2(c)(2)(ii).

(g) One-time and special purpose grants awarded by the Corporation are not subject to the fund balance policy set forth in this part. Revenue and expenses relating to such grants shall be reflected separately in the audit report submitted to the Corporation. This may be done by establishing a separate fund or by providing a separate supplemental schedule of revenue and expenses related to such grants as a part of the audit report. No funds provided under a one-time or special purpose grant may be expended subsequent to the expiration date of the grant without the prior written approval of the Corporation. Absent approval from the Corporation, all unexpended funds under such grants shall be returned to the Corporation.

§ 1628.4 Procedures.

(a) Within 30 days of the submission to LSC of its annual audited financial statements, a recipient may request a waiver of the 10% ceiling on LSC fund balances. The request shall specify:

(1) The LSC fund balance as reported in the recipient's annual audited financial statements;

(2) The reason(s) the excess fund balance resulted;

(3) The recipient's plan for disposition of the excess fund balance during the current fiscal year;

(4) The amount of fund balance projected to be carried forward at the close of the recipient's current fiscal year; and

(5) The special circumstances justifying the retention of the excess fund balance up to 25%, or the extraordinary and compelling circumstances set out in § 1628.3(c) justifying a fund balance in excess of 25%.

(b) Within 45 days of receipt of the recipient's waiver request submitted pursuant to paragraph (a) of this section,

the Corporation shall provide a written response to the request and a written notice to the recipient of any fund balance due and payable to the Corporation as well as the method for repayment.

(c) In the event that repayment is required, the Corporation shall give written notice 30 days prior to the effective date for repayment. Repayment shall be in a lump sum or by pro rata deductions from the recipient's grant checks for a specific number of months. The Corporation shall determine which of the specified methods of repayment is reasonable and appropriate in each case after consultation with the recipient.

(d) The decision of the Corporation regarding the granting of a waiver shall be guided by the statutory mandate requiring the recipient to provide high quality legal services in an effective and economical manner. In addition, the Corporation shall consider the following factors:

(1) Emergencies, unusual or unexpected occurrences, or the circumstances giving rise to the existence of a fund balance in excess of 10% of LSC support set out in §1628.3(b) or (c);

(2) the special needs of clients;

(3) The need to retain a cash reserve for payments to private attorneys participating in the recipient's private attorney involvement (PAI) program; for acquisition of equipment or property; or for other expenditures which are reasonable and necessary for the performance of the LSC grant; and

(4) The recipient's financial management record.

(e) The Corporation's written approval of a request for a waiver shall require that the recipient use the funds it is permitted to retain within the time period set out in the approval and for the purposes approved by the Corporation.

(f) Excess fund balances approved by the Corporation for expenditure by a recipient shall be separately reported by natural line item in the current fiscal year's audited financial statements. This may be done by establishing a separate fund or by providing a separate supplemental schedule as part of the audit report.

(g) The recipient shall promptly inform and seek guidance from the Corporation when it determines a need for any changes to the conditions on timing or purposes set out in the Corporation's written approval of a recipient's request for a waiver.

§ 1628.5 Fund balance deficits.

(a) Sound financial management practices such as those set out in Chapter 3 of the Corporation's Accounting Guide for LSC Recipients should preclude deficit spending. Use of current year LSC grant funds to liquidate deficit balances in the LSC fund from a preceding period requires the prior written approval of the Corporation.

(b) Within 30 days of the submission of the recipient's annual audit, the recipient may apply to the Corporation for approval of the expenses associated with the liquidation of the deficit balance in the LSC fund.

(c) In the absence of approval by the Corporation, expenditures of current year LSC grant funds to liquidate a deficit from a prior year shall be identified as questioned costs under 45 CFR part 1630.

(d) The recipient's request must specify the same information relative to the deficit LSC fund balance as that set forth in §1628.4(a)(1) and (2). Additionally, the recipient must develop and submit a plan approved by its governing body describing the measures which will be implemented to prevent a recurrence of a deficit balance in the LSC fund. The Corporation reserves the right to require changes in the submitted plan.

(e) The decision of the Corporation regarding acceptance of these deficit-related costs shall be guided by the statutory mandate requiring the recipient to provide high quality legal services performed in an effective and economical manner. Special consideration will be given for emergencies, unusual occurrences, or other special circumstances giving rise to a deficit balance.
