§ 1634.1 Purpose.

Legal Services Corporation

§ 1634.3

(c) Encourage ongoing improvement of performance by recipients in providing high quality legal services to eligible clients;

(d) Preserve local control over resource allocation and program priorities; and

(e) Minimize disruptions in the delivery of legal services to eligible clients within a service area during a transition to a new provider.

§ 1634.2 Definitions.

(a) *Qualified applicants* are those persons, groups or entities described in section 1634.5(a) of this part who are eligible to submit notices of intent to compete and applications to participate in a competitive bidding process as described in this part.

(b) *Review panel* means a group of individuals who are not Corporation staff but who are engaged by the Corporation to review applications and make recommendations regarding awards of grants or contracts for the delivery of legal assistance to eligible clients. A majority of review panel members shall be lawyers who are supportive of the purposes of the LSC Act and experienced in and knowledgeable about the delivery of legal assistance to low-income persons, and eligible clients or representatives of low-income community groups. The remaining members of the review panel shall be persons who are supportive of the purposes of the LSC Act and have an interest in and knowledge of the delivery of quality legal services to the poor. No person may serve on a review panel for an applicant with whom the person has a financial interest or ethical conflict; nor may the person have been a board member of or employed by that applicant in the past five years.

(c) *Service area* is the area defined by the Corporation to be served by grants or contracts to be awarded on the basis of a competitive bidding process. A service area is defined geographically and may consist of all or part of the area served by a current recipient, or it may include an area larger than the area served by a current recipient.

(d) *Subpopulation of eligible clients* includes Native Americans and migrant farm workers and may include other groups of eligible clients that, because

they have special legal problems or face special difficulties of access to legal services, might better be addressed by a separate delivery system to serve that client group effectively.

§ 1634.3 Competition for grants and contracts.

(a) After the effective date of this part, all grants and contracts for legal assistance awarded by the Corporation under Section 1006(a)(1)(A) of the LSC Act shall be subject to the competitive bidding process described in this part. No grant or contract for the delivery of legal assistance shall be awarded by the Corporation for any period after the effective date of this part, unless the recipient of that grant has been selected on the basis of the competitive bidding process described in this part.

(b) The Corporation shall determine the service areas to be covered by grants or contracts and shall determine whether the population to be served will consist of all eligible clients within the service area or a specific subpopulation of eligible clients within one or more service areas.

(c) The use of the competitive bidding process to award grant(s) or contract(s) shall not constitute a termination or denial of refunding of financial assistance to a current recipient pursuant to parts 1606 and 1625 of this chapter.

(d) Wherever possible, the Corporation shall award no more than one grant or contract to provide legal assistance to eligible clients or a subpopulation of eligible clients within a service area. The Corporation may award more than one grant or contract to provide legal assistance to eligible clients or a subpopulation of eligible clients within a service area only when the Corporation determines that it is necessary to award more than one such grant or contract in order to ensure that all eligible clients within the service area will have access to a full range of high quality legal services in accordance with the LSC Act or other applicable law.

(e) In no event may the Corporation award a grant or contract for a term longer than five years. The amount of funding provided annually under each such grant or contract is subject to

§ 1634.4

changes in congressional appropriations or restrictions on the use of those funds by the Corporation. A reduction in a recipient's annual funding required as a result of a change in the law or a reduction in funding appropriated to the Corporation shall not be considered a termination or denial of refunding under parts 1606 or 1625 of this chapter.

§ 1634.4 Announcement of competition.

(a) The Corporation shall give public notice that it intends to award a grant or contract for a service area on the basis of a competitive bidding process, shall take appropriate steps to announce the availability of such a grant or contract in the periodicals of State and local bar associations, and shall publish a notice of the Request For Proposals (RFP) in at least one daily newspaper of general circulation in the area to be served under the grant or contract. In addition, the Corporation shall notify current recipients, other bar associations, and other interested groups within the service area of the availability of the grant or contract and shall conduct such other outreach as the Corporation determines to be appropriate to ensure that interested parties are given an opportunity to participate in the competitive bidding process.

(b) The Corporation shall issue an RFP which shall include information regarding: who may apply, application procedures, the selection process, selection criteria, the service areas that will be the subject of the competitive bidding process, the amount of funding available for the service area, if known, applicable timetables and deadlines, and the LSC Act, regulations, guidelines and instructions and any other applicable federal law. The RFP may also include any other information that the Corporation determines to be appropriate.

(c) The Corporation shall make a copy of the RFP available to any person, group or entity that requests a copy in accordance with procedures established by the Corporation.

§ 1634.5 Identification of qualified applicants for grants and contracts.

§ 1634.7 Application process.

(a) The Corporation shall set a date for receipt of applications and shall announce the date in the RFP. (i) Review the applications and the summaries prepared by the Corporation staff. The review panel may request other information identified by the Corporation as necessary to evaluate the applications fully; and

(ii) Make a written recommendation to the Corporation regarding the award of grants or contracts from the Corporation for a particular service area.

(6) After considering the recommendation made by the review panel, if a review panel was convened, make a staff recommendation to the President. (b) After reviewing the written recommendations, the President shall select the applicants to be awarded grants or contracts from the Corporation and the Corporation shall notify each applicant in writing of the President's decision regarding each applicant's application.

(c) In the event that there are no applicants for a service area or that the Corporation determines that no applicant meets the criteria and therefore determines not to award a grant or contract for a particular service area, the Corporation shall take all practical steps to ensure the continued provision of legal assistance in that service area. The Corporation shall have discretion to determine how legal assistance is to be provided to the service area, including, but not limited to, enlarging the service area of a neighboring recipient, putting a current recipient on month-to-month funding or entering into a short term, interim grant or contract with another qualified provider for the provision of legal assistance in the service area until the completion of a competitive bidding process within a reasonable period of time.
