

§ 1635.4

(b) Time spent by attorneys and paralegals must be documented by time records which record the amount of time spent on each case, matter, or supporting activity.

(1) Time records must be created contemporaneously and account for time by date and in increments not greater than one-quarter of an hour which comprise all of the efforts of the attorneys and paralegals for which compensation is paid by the recipient.

(2) Each record of time spent must contain: for a case, a unique client name or case number; for matters or supporting activities, an identification of the category of action on which the time was spent.

(c) The timekeeping system must be able to aggregate time record information on both closed and pending cases by legal problem type.

(d) Recipients shall require any attorney or paralegal who works part-time for the recipient and part-time for an organization that engages in restricted activities to certify in writing that the attorney or paralegal has not engaged in restricted activity during any time for which the attorney or paralegal was compensated by the recipient or has not used recipient resources for restricted activities. The certification requirement does not apply to a *de minimis* action related to a restricted activity. Actions consistent with the *de minimis* standard are those that meet all or most of the following criteria: actions that are of little substance; require little time; are not initiated by the part-time employee; and, for the most part, are unavoidable. Certifications shall be made on a quarterly basis and shall be made on a form determined by LSC.

§ 1635.4 Administrative provisions.

Time records required by this section shall be available for examination by auditors and representatives of LSC, and by any other person or entity statutorily entitled to access to such records. LSC shall not disclose any time record except to a Federal, State or local law enforcement official or to an official of an appropriate bar association for the purpose of enabling such bar association official to conduct an

(1) Identify each plaintiff it represents by name in any complaint it files, or in a separate notice provided to the defendant against whom the complaint is filed where disclosure in the complaint would be contrary to law or court rules or practice, and identify each plaintiff it represents to prospective defendants in pre-litigation settlement negotiations, unless a court of competent jurisdiction has entered an order protecting the client from such disclosure based on a finding, after notice and an opportunity for a hearing on the matter, of probable, serious harm to the plaintiff if the disclosure is not prevented; and

§ 1636.3 Access to written statements.

(a) Written statements of facts prepared in accordance with this part are to be kept on file by the recipient and made available to the Corporation or to any Federal department or agency auditing or monitoring the activities of the recipient or to any auditor or monitor receiving Federal funds to audit or monitor on behalf of a Federal department or agency or on behalf of the Corporation.
