Dear Ms. Viscardi,

Please find enclosed the application from Trinity County Behavioral Health Agency for Prevention and Early Intervention activities in our county. It is our intention to remain consistent with all proposed regulations and guidelines as outlined in the Information Notice from DMH No.:07-17. Trinity County is very proud of the two projects we are submitting for review. Our community planning process was quite inclusive as our application will demonstrate. We see this as a valuable opportunity to engage with our local community in new ways, and look forward to implementing this proposal which we believe will create new prevention resources in our community.

We are asking for a total of \$125,000. for fiscal year 08/09. This includes the \$35,000. in Planning Funds we have already received. This represents a request then for \$90,000. in new funds. It is our intention to submit an integrated plan in the spring of FY09 for revenue to support these projects in FY 09/10.

If there are any questions or concerns from either DMH or the MHSOAC, please contact the project lead, Noel J. O'Neill LMFT @ Noneill@kingsview.org or by telephone @ 530-623-8293. Thank You!

Sincerely yours,

Nancy Antoon LCSW; Trinity County Behavioral Health Agency Director
