Stipulation; Influenza vaccine; Reflex
Sympathetic Dystrophy (“RSD”)

DECISION¹

On December 4, 2008, the parties to the above-captioned case filed a Stipulation memorializing their agreement as to the appropriate amount of compensation in this case. Petitioner alleges that she sustained a vaccine related injury of reflex sympathetic dystrophy (“RSD”) as a result of her influenza vaccine administered on December 15, 1998. Respondent denies that petitioner’s injury was caused-in-fact by her influenza vaccination. Nonetheless, the parties agreed informally to resolve this matter.

The court hereby **adopts** the parties’ said Stipulation, attached hereto, and awards compensation in the amount and on the terms set forth therein. Specifically, petitioner is awarded a lump sum of **\$90,000.00** in the form of a check payable to petitioner. See Stipulation, para. 8, filed December 4, 2008. Additionally, petitioner is awarded a lump sum of **\$3,803.38** in the form of a check payable jointly to petitioner and Illinois Medicaid Agency, Attention: Mr. Mitch Levine, for reimbursement of Illinois’ Medicaid expenses. Id. The Clerk of the Court is

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of the influenza ("flu") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 U.S.C. § 300aa-14(a); 42 C.F.R. § 100.3 (a) (XIV).

2. Petitioner received her flu immunization on December 15, 1998.

3. The vaccine was administered within the United States.

4. Petitioner alleges that she developed Reflex Sympathetic Dystrophy ("RSD") as a result of her December 15, 1998, vaccination.

5. Petitioner represents that there has been no prior award or

settlement of a civil action for damages as a result of her condition.

6. Respondent denies that petitioner's RSD was caused-in-fact by her December 15, 1998, vaccination.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

a. a lump sum payment of \$90,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a); and

b. a lump sum payment of \$3,803.38 in the form of a check payable jointly to petitioner and Illinois Medicaid Agency, Attention: Mr. Mitch Levine, for reimbursement of Illinois' Medicaid expenses.

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon

this petition.

10. Payments made pursuant to paragraphs 8 and 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for past unreimbursed expenses described in paragraph 8(b) and any award for attorneys' fees and costs, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity and on behalf of her heirs, executors, administrators, successors or assigns, does forever and fully expressly release, acquit and discharge the Secretary of Health and Human Services and the United States of America from any and all actions, causes of action, agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature on account of, or in any way growing out of, any and all known or unknown personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on December 15, 1998, as alleged by petitioner in a petition for vaccine compensation filed on or about June 28, 2007, in the United States Court of Federal

Claims as petition No. 07-0437V.

13. If petitioner should die prior to receiving any or all of the payments described in paragraph 8, this agreement shall be considered voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be null and void at the sole discretion of either party.

15. This Stipulation expresses a full and complete settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to.

16. All rights and obligations of petitioner hereunder shall apply equally to her successors and assigns.
