## Day-Care Facilities Credit: (15-30-130 and 15-31-133 MCA)

This credit against taxes is allowed to employers based on the amounts paid or incurred to acquire, construct, reconstruct, renovate, or improve real property to be used primarily as a day-care facility. The amount of the credit is the amount calculated on lines 1 through 8 and any day-care facility credit carryforward.

If this credit exceeds your tax liability, the excess amount may be carried forward to any succeeding years. The carryforward may not exceed 9 years.

If this credit is claimed by a small business corporation, or a partnership, the credit must be attributed to the shareholders or partners, using the same proportion to report the corporation's or partnership's income or loss for Montana income tax purposes.

To qualify for this credit the following conditions must apply:

- The property must be in actual use in Montana as a day-care facility on the last day of the tax year for which the credit or any carryforward amount of the credit is claimed.
- Day-care services assisted by the employer must take place on the property on the last day of the tax year for which the credit or any carryforward amount is claimed.
- The person operating the day-care facility must hold a current license or registration certificate under Title 52, chapter 2, part 7, on the last day of the tax year for which the credit is claimed.
- The day-care facility shall accommodate six or more children.
- The day-care facility must be placed in operation before January 1, 2006.

These costs must be excluded, or partially excluded under 26 U.S.C. 129 from the income of the employee for federal tax purposes.
