Section III - Basis for Requesting a Public Hearing

The reasons for requesting and holding a hearing must be specific to air quality regulations and based on the permitting action described in the public notice. The public hearing request is subject to AQMD approval. A public hearing will be held if: 1) there is evidence that the proposed permit is not correct or is not adequate to ensure compliance with regulatory requirements, and 2) a hearing will likely provide additional information that will affect the drafting and/or issuance of the permit.

Complete the following information:

1. I object to the issuance of this permit as proposed because:

2. The following language in the proposed permit does not accurately reflect air quality regulatory requirements.

Permit Section	Page Number	Device or Condition Number	Objection (Identify air quality regulatory requirements that are inconsistent with language in the permit)
