Other ⁴	1,187	1,180	142	128	359	345	148	112	1,115	1,073

¹ Estimates in the Total column are for all persons aged 18 or older, including those with unknown mental health treatment/counseling.

² Mental Health Treatment/Counseling is defined as having received inpatient care, outpatient care, or using prescription medication for problems with emotions, nerves, or mental health. Respondents were not to include treatment for drug or alcohol use. Unmet Need for Mental Health Treatment/Counseling is defined as a perceived need for treatment that was not received. Respondents with missing treatment/counseling information are excluded.

³ Estimates for 2002 and 2003 are based on a revised definition of county type and are not comparable with estimates by county type published in prior NSDUH reports.

⁴ Retired person, disabled person, homemaker, student, or other person not in the labor force.
