## **STATE ADVISORY COUNCIL (SAC) ON REFUGEE ASSISTANCE AND SERVICES**

In accordance with the Refugee Act of 1980, the California State Advisory Council (SAC) on Refugee Assistance and Services was established by the California Department of Social Services (CDSS).

The SAC meets periodically to analyze critical issues affecting refugees and assures citizen involvement in policy discussions crucial to the development of a cost-effective, sensitive, comprehensive, and successful refugee resettlement program. The CDSS attempts to keep SAC informed on current issues affecting refugee resettlement in California and solicits advice from SAC on the administration of the refugee resettlement process. The advice given to CDSS by SAC through formal recommendations and general discussions at SAC meetings has been given serious consideration by the CDSS and incorporated in the development of the refugee resettlement process in California.

As specified in the SAC by-laws, the SAC is intended to represent a cross-section of experience from all sectors involved in or affected by the refugee resettlement process. Thus, the 15 members of SAC are selected considering ethnic representation, expertise, constituency, geographical location, and association representation. Membership is defined by two categories, public members and organizational/agency members. Appointments are as follows:

- Seven positions are held by members of the public refugee community selected from nominations made by Mutual Assistance Associations, Voluntary Resettlement Agencies, service providers, and other interested organizations on a statewide basis.
- Nine organizational/agency positions have been allocated. One nominee is submitted by each of the following to fill these positions:
  - Governor's Office
  - California State Refugee Forums
  - Joint VOLAG Committee
  - Director, California Department of Health Services
  - Chief, Refugee Programs Branch
  - County Welfare Director's Association
  - County Refugee Coordinators
  - Local Refugee Health Program Coordinators

The seven public members serve for three-year terms beginning at the date in which approval is provided by the CDSS. Public members are allowed only two consecutive terms. The nine organizational/agency members serve for three-year terms as well beginning at the date at which approval is provided by the CDSS and commencing September 30 three years from that date. Organizational/agency members are allowed as many consecutive terms as their nominating agency so chooses.

Members do not receive a salary for serving on the SAC, but are reimbursed for travel expenses incurred to attend the meetings, in accordance with CDSS travel policies.
