Community Bio-Resources, Inc.
Donor Information System
510(k) Statement

In the event that the computerized Donor Information System is marketed, I certify that in my capacity as President and Responsible Head of Community Bio-Resources, Inc., I will make available all information included in this pre-market notification on safety and effectiveness within 30 days of request by any person if the device described in the pre-market notification submission is determined to be substantially equivalent. The information I agree to make available will be a duplicate of the pre-market notification submission, including any adverse safety and effectiveness information, but excluding all donor identifiers, trade secrets, and confidential commercial information, as defined in 21CFR20.61.
