

Want to Bike to Work?

Join a lot of the Boulder population each day as they use the power of their legs to propel themselves to their workplace.

The Outlook Hotel is 2.57 miles from CGI where all your meetings will be taking place. Bike paths run the entire length of that distance, so you don't even have to deal with automobile traffic. Boulder is renowned for its 300+ days of sunshine per year, and even if it does rain, it's usually just an afternoon squall.

Here are the possibilities:

The Outlook has 6 bikes available free of charge on a first-come, first serve basis. Each morning, you could see if one is available.

If you'd like to be certain of having a bike to ride each morning, you could call

Boulder Bikesmith
2432 Arapahoe Ave
Boulder, CO 80302
303 443-1132

This store is within walking distance of the Outlook. Rental cost is \$70 for 6 days or \$73 for 1 week. This expense is not reimbursable.

Looking forward to seeing you on the bike path! Maps are available at both the hotel and at registration.
