SUPPLEMENTARY INFORMATION: On August 25, 1998 (63 FR 45270), NRC announced the availability of draft NUREG-1556, Volume 9, “Consolidated Guidance About Materials Licenses: Program-Specific Guidance About Medical Use Licenses,” dated August 1998. This draft document, which was prepared by a team composed of NRC staff and staff from State Departments of Health, was published for public comment in parallel with the proposed revision of Part 35, “Medical Use of Byproduct Material.” As a result of comments received on the August 1998 draft, it was revised and published as draft NUREG-1556, Volume 9, “Consolidated Guidance About Materials Licenses: Program-Specific Guidance About Medical Use Licenses” (March 2002). The notice of availability of the March 2002 draft was published on April 5, 2002 (67 FR 16467), and input on the

guidance was requested. The NRC invited the public to comment on questions pertaining to the level of detail and format in the guidance, model procedures, licensing guidance specific to diagnostic nuclear medicine, and other guidance that should be considered for reference in NUREG-1556, Volume 9, such as additional voluntary industry consensus standards or other publicly available documents. The March 2002 draft NUREG included Appendix Z, which provided a summary of comments on the 1998 draft and NRC responses.

On April 25, 2002, NRC held a public workshop to obtain stakeholder comments on the March 2002 draft, with emphasis on therapeutic applications of byproduct materials. A second public workshop was held on April 30, 2002, to receive stakeholder input on guidance, with emphasis on diagnostic applications of byproduct materials. In addition to the feedback from the workshops, the NRC also received written public comments during a 60-day comment period (April 5 to June 4, 2002). A summary of comments and NRC responses will be published as a separate Appendix BB to NUREG-1556, Volume 9, which will also include the summary of comments and NRC responses on the August 1998 draft NUREG. The staff considered all comments, including constructive suggestions to improve the document, in the preparation of the final NUREG report.

The final version of NUREG-1556, Volume 9, is now available for use by applicants, licensees, NRC license reviewers, and other NRC staff. This document supersedes the guidance previously found in—

SECURITIES AND EXCHANGE COMMISSION**Issuer Delisting; Notice of Application of FFP Partners, L.P., To Withdraw Its Class A Units of Limited Partnership Interests From Listing and Registration on the American Stock Exchange LLC File No. 1-09510**

October 16, 2002.

FFP Partners, L.P., a Delaware limited partnership ("Issuer"), has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its Class A Units of Limited Partnership Interests Common Stock ("Security"), from

listing and registration on the American Stock Exchange LLC ("Amex" or "Exchange").

The Issuer stated in its application that it has met the requirements of Amex Rule 18 by complying with all applicable laws in effect in the state of Delaware, in which it is incorporated, and with the Amex's rules governing an issuer's voluntary withdrawal of a security from listing and registration.

The Board of Trustees ("Board") of the Issuer approved resolutions on September 26, 2002 to withdraw the Issuer's Security from listing on the Amex. In making its decision to withdraw the Issuer's Security from the Exchange, the Board considered the low number of record holders, the erratic and thin trading of the securities and the burden on the Issuer's resources due to the costs associated with maintaining the listing requirements for its Security.

The Issuer's application relates solely to the Security's withdrawal from listing on the Amex and from registration under Section 12(b) of the Act³ and shall not affect its obligation to be registered under Section 12(g) of the Act.⁴

Any interested person may, on or before November 6, 2002, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609, facts bearing upon whether the application has been made in accordance with the rules of the Amex and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁵

Jonathan G. Katz,
Secretary.
