Submission for OMB Review; Comment Request for Reclearance of a Revised Information Collection: Federal Employees Health Benefits (FEHB) Open Season Express Interactive Voice Response (IVR) System

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) has submitted to the Office of Management and Budget (OMB) a request for reclearance of a revised information collection. The Federal Employees Health Benefits

(FEHB) Open Season Express Interactive Voice Response (IVR) System and the open season Web site, Open Season Online, is used by retirees and survivors; it collects information for changing FEHB enrollments, collecting dependent and other insurance information for self and family enrollments, requesting plan brochures, requesting a change of address, requesting cancellation or suspension of FEHB benefits, asking to make payment to the Office of Personnel Management when the FEHB payment is greater than the monthly annuity amount, or requesting FEHB plan accreditation and Customer Satisfaction Survey information.

We estimate we will receive 215,000 responses per year to the IVR system and the online Web site. Each response takes approximately 10 minutes to complete. The annual burden is 35,833 hours.

OFFICE OF PERSONNEL MANAGEMENT

Submission for OMB Review; Comment Request for a Revised Information Collection: SF 15, Application for 10-Point Veteran Preference

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) submitted to the Office of Management and Budget (OMB) a request for a revised information collection. The Application for 10-Point Veteran Preference (Standard Form 15) is used by agencies, OPM examining offices, and agency appointing officials to adjudicate individuals' claims for veterans' preference in accordance with the Veterans' Preference Act of 1944. OPM will update the form to eliminate references to the defunct Federal Personnel Manual and Standard Form 171 (Application for Federal Employment), as well as to reflect revisions to forms issued by the Department of Veterans Affairs that document service-connected disabilities.

Approximately 4,500 forms are completed annually. Each form takes approximately 10 minutes to complete. The annual estimated burden is 750 hours.

One agency commented that the proposed requirement that official statements from the Veterans' Administration (VA) used to document service-connected disabilities be dated within the last 10 years rather than dated 1991 or later, as OPM proposes. We have not adopted this suggested change because VA has informed OPM that any VA letter issued after 1991 documenting a service-connected disability is proof of a permanent disability unless the letter specifically states that the disability is temporary. The 10 year requirement suggested by the agency is not consistent with current VA policy regarding its documentation and may disqualify veterans who received VA letters more than 10 years before the effective date of the SF 15 changes but after 1991.
