## OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Public Hearings on Establishment of a Tariff-Rate Quota on Imported Tobacco

**AGENCY:** Office of the United States Trade Representative.

**ACTION:** Notice of public hearings.

**SUMMARY:** Pursuant to section 125(f) of the Trade Act of 1974, the Office of the United States Trade Representative has scheduled a public hearing on the potential establishment of a tariff-rate quota on certain imported tobaccos. **DATES:** The public hearing will be held on Tuesday, April 4, 1995.

FOR FURTHER INFORMATION CONTACT: For procedural questions concerning public hearings and/or public comments, contact Carolyn Frank, Executive Secretary, Trade Policy Staff Committee (TPSC) (202-395-9557). All other questions should be directed to Thomas Hushek, Senior Economist for Agricultural Affairs (202–395–6127). SUPPLEMENTARY INFORMATION: On June 28, 1994, the United States notified the Secretariat of the General Agreement on Tariffs and Trade 1947 (GATT 1947) of its proposal to modify certain concessions with respect to tobacco, in accordance with the provisions and procedures of Article XXVIII, paragraph 5 of the GATT 1947. (This notification was provided again on February 27, 1995 to the Secretariat of the World Trade Organization, in accordance with Article XXVIII of the GATT 1994). In July 1994, the United States entered into negotiations and consultations pursuant to Article XXVIII with qualifying GATT

contracting parties (initial negotiating rights holders and principal and substantial suppliers).

Pursuant to Article XXVIII, the United States proposes to establish a tariff-rate quota on nine current tariff categories of the Harmonized Tariff Schedule of the United States (HTSUS) (2401.10.60, 2401.20.30, 2401.20.80, 2401.30.30, 2401.30.60, 2401.30.90, 2403.10.00, 2403.91.40, and 2403.99.00) to cover flue-cured, burley and other light aircured tobaccos that are imported to be used in the manufacture of cigarettes for domestic consumption. The in-quota tariff rates would be equal to the Uruguay Round concession rates. The over-quota tariff rates would be as high as 350 percent ad valorem.

Other tobaccos, including oriental and cigar type tobaccos, would not be subject to the quantitative limitations of the tariff-rate quota. Imported flue-cured, burley and other light air-cured tobaccos used to manufacture products other than cigarettes would also not be subject to the tariff-rate quota.

Imported flue-cured, burley and other light air-cured tobaccos used to manufacture exported cigarettes would be eligible for manufacturing duty-drawback on an identity-preserved basis. Under section 422 of the Uruguay Round Agreements Act, upon proclamation of the tariff-rate quota, section 1106(a) of the Omnibus Budget and Reconciliation Act of 1993 (7 U.S.C. 1314i), which concerns domestic marketing assessments for imported tobacco, would not be in effect for any calendar year other than 1994.

Section 125(c) of the Trade Act of 1974 (19 U.S.C. 2135) provides that whenever the United States, acting in pursuance of any of its rights or obligations under any trade agreement entered into pursuant to that Act, section 350 of the Tariff Act 1930 or section 201 of the Trade Expansion Act of 1962, withdraws or modifies any obligation with respect to the trade of any foreign country or instrumentality, the President is authorized to proclaim increased duties or other import restrictions, for such periods as he deems necessary or appropriate, in order to exercise the rights or fulfill the obligations of the United States. As amended by section 421 of the Uruguay Round Agreements Act, section 125(c) authorizes the President to proclaim increased duties on the nine tariff categories of tobacco of up to 350% above the rates existing on January 1,

Before taking any action under section 125 to increase duties, the President is required by section 125(f) to provide for public hearings at which time interested
