GOVERNMENT AND THE DISTRICT OF COLUMBIA

SUBJECT: Amendment of Service Contract Act of 1965
Interim Regulations, 29 CFR, Part 4 and Part 6

Reference is made to Memorandum #108, dated October 12, 1972. The Department of Labor has prepared interim regulations dealing with the amended Service Contract Act and these were published in the Federal Register for November 30, 1972. A copy of this Federal Register publication is attached for your information. Please note that any comments concerning these interim regulations should be sent to the Department of Labor by December 31, 1972.

A meeting of representatives of the principal contracting agencies will be held in Conference Room B, rear of the Interdepartmental Auditorium (next to the Main Labor Building), Washington, D. C. at 10:00 a.m. on December 14, 1972. While the meeting is planned for Washington headquarters representatives of the major contracting agencies, each of the agencies may wish to have a few additional personnel attend including selected field personnel. Because of conference space limitations, it is requested that each agency limit their attendance to six or seven persons.

The primary purpose of this meeting will be to review mutual problems arising under the amended Service Contract Act.
