MEMORANDUM

To: All Interested Persons, Organizations, and Agencies

From: Carol Lynn Erwin
Area Manager

Subject: Finding of No Significant Impact (FONSI) and Final Environmental Assessment (EA)
for the Proposed Town of Marana Regional Sports Complex

The Bureau of Reclamation has determined that construction and operation of the proposed Marana Regional Sports Complex will not be a major Federal action significantly affecting the quality of the human environment. A copy of the final EA and FONSI are provided on the attached CD-R. These documents are also available at <http://www.usbr.gov/lc/phoenix>.

The draft EA was mailed to potentially affected or interested individuals and agencies for a 30-day public comment period on August 12, 2008. News releases were sent to several major news media outlets serving central and southern Arizona regarding the availability of the draft EA. The draft EA was also available on Reclamation's Phoenix Area Office web site. One respondent submitted written comments concerning the proposed project during the 30-day public comment period. These comments and Reclamation's responses are included in Appendix A of the final EA.

For further information, or to request additional copies of the final EA/FONSI, please contact Mr. McGlothlen at jwmcglothlen@lc.usbr.gov, or by calling 623-773-6256.
