SUBJECT: DOE O 150.1 – Continuity Programs
DOE O 580.1 Chg 1 – Department of Energy Personal Property Management Program

SUMMARY: The Department issued Contractor Requirements Documents (CRDs) on May 8, 2008 to the above listed Directives.

Under the Department's Directives Program (DOE Order 251.1B), Heads of Field Elements are responsible for determining which contracts are to include these CRDs. Contracting Officers, once notified, are responsible for incorporating the CRDs into affected contracts. Since some Heads of Field Elements may not be aware that this change has been issued, Contracting Officers should request their determination of which, if any, contracts are affected and remind them that they may sign up for automated notification at www.directives.doe.gov.

Questions regarding contracts intended to be affected by the CRDs should be directed to the office identified in the "Contact" paragraph and questions regarding contract modifications should be directed to Helen Oxberger at helen.oxberger@hq.doe.gov.
