INFORMAL BRIEF OF PETITIONER

The Inspector General (I.G.) argues that he must exclude you from participating in Medicare, Medicaid, and other federally-funded health care programs for at least five years, because you were convicted of a felony that is described at section 1128 (a)(3) of the Social Security Act.

The issue in this case is whether the I.G. is required to exclude you.

I. Were you convicted of a felony that was committed after August 21, 1996?

___ Yes ___ No

Do you agree that you were convicted of a felony that was committed after August 21, 1996?

___ Yes ___ No

If you **disagree**, explain why you disagree. State which exhibits support your argument and explain why they do.

II. Were you convicted of an offense for which exclusion is required?

The I.G. argues that he must exclude you, because your conviction was of a felony relating to fraud, theft, embezzlement, breach of fiduciary responsibility or other financial misconduct that was committed: in connection with the delivery of a health care item or service; or with respect to any act or omission in a health care program other than Medicare or a State Medicaid program operated by, or financed in whole or in part by, any federal, State, or local government agency.

Do you disagree with the I.G.'s argument?

Yes No

If you **disagree**, explain why you disagree. State which exhibits support your argument and explain why they do.

III. Do you believe that an in-person hearing is necessary to decide your case?

Yes No

Do you have any testimony that you wish to offer at an in-person hearing?

Yes No

If you have testimony that you wish to offer provide the following:

1. The name of each witness whose testimony you want to offer.

2. A description of each witness' proposed testimony and an explanation of why you believe that the testimony relates to any of the arguments you want to offer in connection with items I and II.

3. An explanation of why the proposed testimony does not duplicate something that is already stated in an exhibit.

IV. Do you have any other arguments you wish to make? If so, please state them here. State which exhibits support your argument(s) and explain why they do.
