**DEPARTMENTAL APPEALS BOARD**

Civil Remedies Division

In the Case of:	)	
_____	)	Date:
	)	
Petitioner,	)	
	)	Docket No. C- -
- v.-	)	
	)	
The Inspector General.	)	
_____	)	

**INFORMAL BRIEF OF PETITIONER**

The Inspector General (I.G.) argues that he is authorized to exclude you from participating in Medicare, Medicaid and other federally-funded health care programs for at least three years, because you have been convicted of a crime that is described at section 1128(b)(2) of the Social Security Act.

The issues in this case are whether:

1. The I.G. is authorized to exclude you; and
2. The length of the exclusion that the I.G. determined to impose is reasonable.

**I. Were you convicted of a criminal offense?**

\_\_\_\_ Yes    \_\_\_\_ No

Do you agree that you were convicted of a criminal offense?

Yes  No

If you **disagree**, explain why you disagree. State which exhibits support your argument and explain why they do.

**II. Were you convicted of an offense for which exclusion is authorized?**

The I.G. argues that your exclusion is authorized, because you were convicted of an offense in connection with the interference with, or obstruction of, any investigation into any criminal offense described in sections 1128(a)(1)-(4) or section 1128(b)(1) of the Social Security Act. Do you disagree with the I.G.'s argument (**before answering this question, read sections 1128(a)(1)-(4) and section 1128(b)(1) of the Social Security Act**)?

Yes  No

If you **disagree**, explain why you disagree. State which exhibits support your argument and explain why they do.

**III. Is the length of your exclusion unreasonable?** The I.G. argues that the length of the exclusion that he determined to impose is reasonable.

**Do you believe that a mitigating factor or factors exist(s) that support reducing the length of your exclusion (before answering this question, read the list of potentially mitigating factors that is set forth at 42 C.F.R. § 1001.301(b)(3))?**

\_\_\_\_\_ Yes      \_\_\_\_\_ No

If you believe that a mitigating factor or factors exist(s), state what it is/they are and explain why the presence of the factor or factors should support reducing the length of your exclusion. State which exhibits support your argument(s) and explain why they do.

**IV. Do you have any other arguments you wish to make?** If so, please state them here. State which exhibits support your argument(s) and explain why they do.
