13	there is a failure to perform by the
14	vendor under the contract. The con-
15	tract may also provide for additional
16	advance payments of 5 percent each
17	for meeting the milestones specified in
18	such contract. Provided that the spec-
19	ified milestones are reached, these ad-
20	vance payments of 5 percent shall not
21	be required to be repaid. Nothing in
22	this subclause shall be construed as
23	affecting the rights of vendors under
24	provisions of law or regulation (in-
25	cluding the Federal Acquisition Regu-

1	lation) relating to the termination of
2	contracts for the convenience of the
3	Government."; and
4	(ii) by adding at the end the fol-

8	NOLOGIES.—The Secretary may enter
9	into multiple transactions for the pro-
10	curement of multiple technologies and
11	products from multiple manufacturers
12	of security countermeasures in order
13	to mitigate against the risks associ-
14	ated with dependence on a single sup-
15	plier or technology.
16	"(VIII) SALES EXCLUSIVITY.—
17	The contract may provide that the
18	vendor is the exclusive supplier of the
19	product to the Federal Government
20	for a specified period of time, not to
21	exceed the term of the contract, on
22	the condition that the vendor is able
23	to satisfy the needs of the Govern-
24	ment. During the agreed period of
25	sales exclusivity, the vendor shall not

1	assign its rights of sales exclusivity to
2	another entity or entities without ap-

8	and Administrative Services Act of
9	1949 (41 U.S.C. 253(c)(1)).
10	"(IX) SURGE CAPACITY.—The
11	contract may provide that the vendor
12	establish domestic manufacturing ca-
13	pacity of the product to ensure that
14	additional production of the product is
15	available in the event that the Sec-
16	retary determines that there is a need
17	to quickly purchase additional quan-
18	tities of the product. Such contract
19	may provide a fee to the vendor for
20	establishing and maintaining such ca-
21	pacity in excess of the initial require-
22	ment for the purchase of the product.
23	Additionally, the cost of maintaining
24	the domestic manufacturing capacity

1 shall be an allowable and allocable di-
2 rect cost of the contract.
3 "(X) Additional contract

end the following: "In the case of such agree-
