Subject: Suspending finance laws

To: Rosemary Smith
From: David & Kellye McMullen
2908 Venetian Dr.
Key West, FL 33040
StarboardSet@Juno.com

Ms. Smith-
We disagree with suspending the finance laws for anyone. The parties knew the deadline well before the Sept. 11 attacks and should have been well on their way to reaching their deadline. Suspending the law will only set precedent for finding some other reason in years to come to not have to comply. As with any kind of system, consistency is imperative in keeping law and order.

Sincerely,
David & Kellye McMullen
