I. Innovative Weaponry, Incorporated - Request for a Hearing

The Commission approved an order responding to a June 14, 1996, request by Innovative Weaponry, Incorporated, for a hearing on the NRC staff's May 15, 1996, Confirmatory Order modifying the requestor's license.

The order directs the licensee to file the basis for its contentions within 15 days, in conformance with 10 CFR 2.730(b). The NRC staff should file any response within 15 days of the licensee's submittal. The Director's May 15, 1996, Confirmatory Order remains in effect pending the additional information requested and the decision on the hearing request.

(Subsequently, on June 26, 1996, the Secretary signed the Order.)
