RE: Request for Correction (Removal) of Information Found  
On the OIVD Section of the FDA Web Site

Dear Mr. Davis:

This letter is an interim response to your May 23, 2005, request for correction of information pursuant to the Federal Data Quality Act [Section 515(a) of the Treasury and General Government Appropriations Act for Fiscal Year 2001, Pub.L. No. 106-554, 114 Stat. 2763A-153 (2000)], HHS Information Quality Guidelines and the FDA's Guidelines for Ensuring the Quality of Information Disseminated to the Public.

Preparation of a response requires adequate time to conduct a thorough review of the materials submitted and to hold internal discussions. Unfortunately, we have not been able to complete our response in time to meet the November 18, 2005, deadline. We now anticipate responding to your request by January 17, 2006.

Sincerely,

A handwritten signature in cursive script that reads "Laurie Lenkel".
