National Environmental Policy Act

-
- NEPA requires Federal agencies to use a systematic approach to consider environmental impacts
 - An Environmental Impact Statement (EIS) is required for major Federal actions significantly affecting the quality of the human environment
 - Commission has determined that a supplement to the “Generic EIS for License Renewal of Nuclear Plants” will be prepared for a license renewal application.

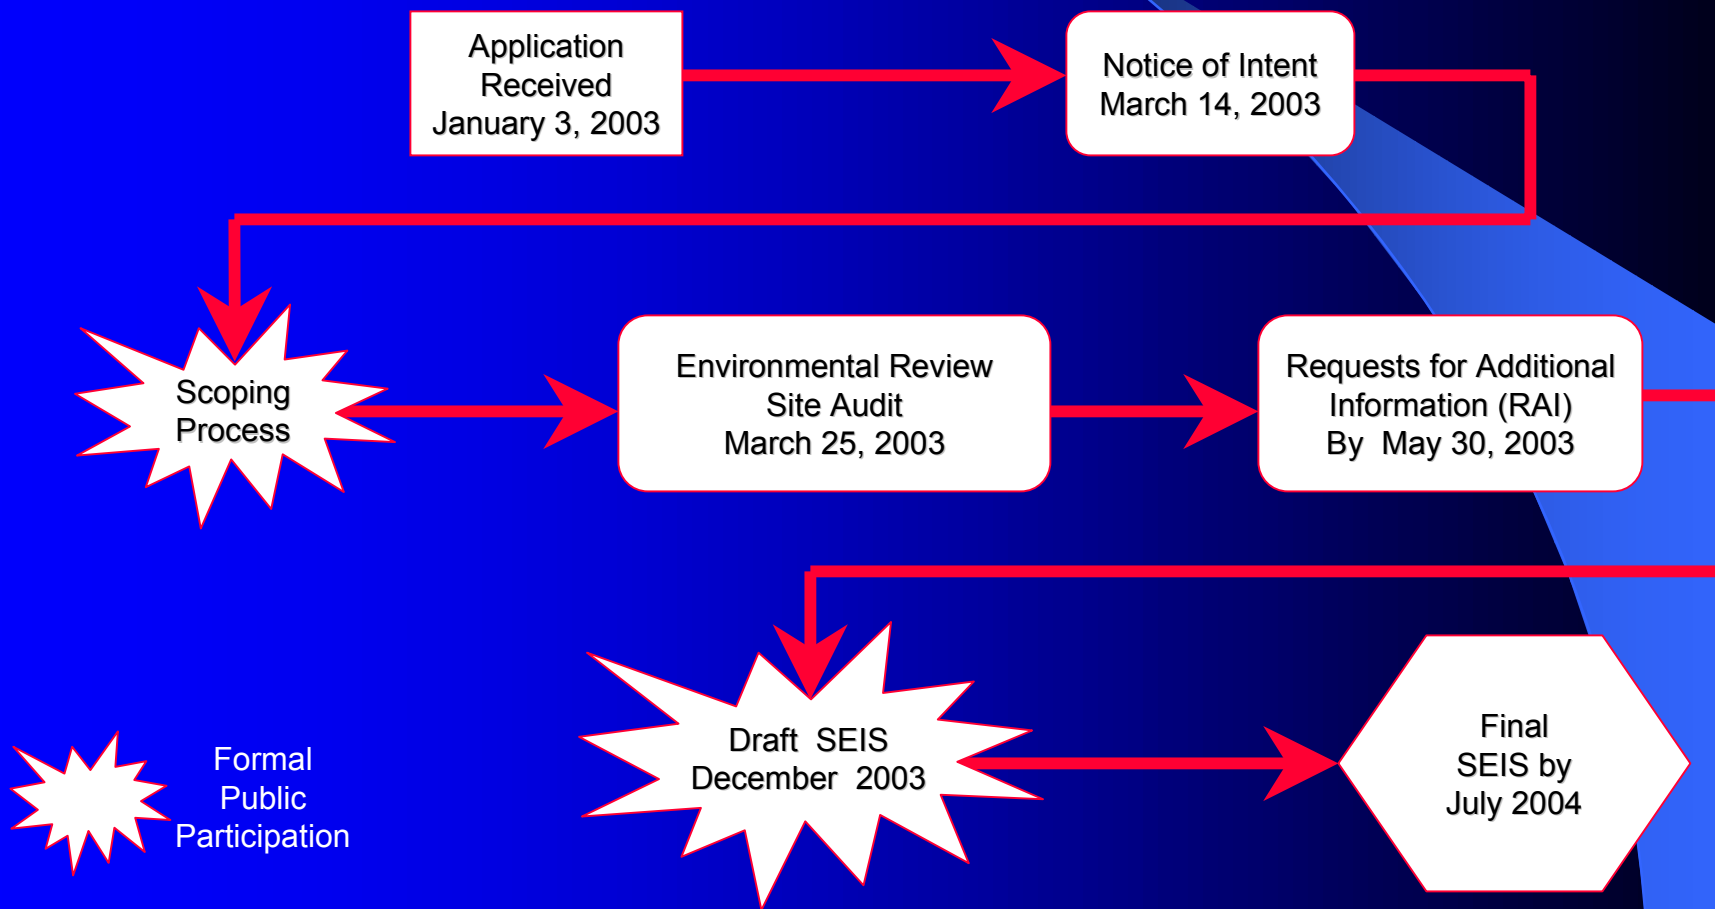

Decision Standard for Environmental Review

To determine whether or not the adverse environmental impacts of license renewal for Dresden Nuclear Power Station, Units 2 and 3 are so great that preserving the option of license renewal for energy planning decisionmakers would be unreasonable.
