

# D.C. Cook 1 4Q/2006 Performance Summary

### Performance Indicators

|                                             |                                       |                                     |                                   |                                                 |                                     |
|---------------------------------------------|---------------------------------------|-------------------------------------|-----------------------------------|-------------------------------------------------|-------------------------------------|
| Unplanned Scrams (G)                        | Safety System Functional Failures (G) | Reactor Coolant System Activity (G) | Drill/Exercise Performance (G)    | Occupational Exposure Control Effectiveness (G) | RETS/ODCM Radiological Effluent (G) |
| Scrams With Loss of Normal Heat Removal (G) | Emergency AC Power System (G)         | Reactor Coolant System Leakage (G)  | ERO Drill Participation (G)       |                                                 |                                     |
| Unplanned Power Changes (G)                 | High Pressure Injection System (G)    |                                     | Alert and Notification System (G) |                                                 |                                     |
|                                             | Heat Removal System (G)               |                                     |                                   |                                                 |                                     |
|                                             | Residual Heat Removal System (G)      |                                     |                                   |                                                 |                                     |
|                                             | Cooling Water Systems (G)             |                                     |                                   |                                                 |                                     |

Last Modified: February 6, 2007

**Most Significant Inspection Findings**

| Quarter | Initiating Events        | Mitigating Systems       | Barrier Integrity        | Emergency Preparedness   | Occupational Radiation Safety | Public Radiation Safety  | Physical Protection (NOT PUBLIC) |
|---------|--------------------------|--------------------------|--------------------------|--------------------------|-------------------------------|--------------------------|----------------------------------|
| 4Q/2006 | No findings this quarter | <b>G</b>                 | No findings this quarter | No findings this quarter | No findings this quarter      | No findings this quarter | No findings this quarter         |
| 3Q/2006 | No findings this quarter | No findings this quarter | No findings this quarter | No findings this quarter | No findings this quarter      | No findings this quarter | No findings this quarter         |
| 2Q/2006 | <b>G</b>                 | <b>G</b>                 | No findings this quarter | No findings this quarter | No findings this quarter      | No findings this quarter | No findings this quarter         |
| 1Q/2006 | No findings this quarter | No findings this quarter | No findings this quarter | No findings this quarter | No findings this quarter      | No findings this quarter | <b>G</b>                         |

Miscellaneous findings

**Additional Inspection & Assessment Information**

◆ **Assessment Reports/Inspection Plans:**

- 4Q/2006
- 3Q/2006
- 2Q/2006
- 1Q/2006

◆ **Cross Reference Of Assessment Reports**

◆ **List of Inspection Reports**

- ◆ **List of Assessment Letters/Inspection Plans**
- ◆ **Baseline Inspection Completion Information**
