Mr. Arcuri, from the Committee on Rules

submitted the following

REPORT

[To accompany H. Res. _____]

The Committee on Rules, having had under consideration House Resolution _____, by a record vote of 7 to 4, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of the bill (H.R. 1433) to provide for the treatment of the District of Columbia as a Congressional district for purposes of representation in the House of Representatives, and for other purposes. The resolution provides for one hour and twenty minutes of general debate, with one hour equally divided and controlled by the chairman and ranking minority member of the Committee on the Judiciary and twenty minutes equally divided and controlled by the chairman and ranking minority member of the Committee on Oversight and Government Reform.

The resolution waives all points of order against consideration of the bill except those arising under clause 9 or 10 of rule XXI. The resolution considers as adopted the amendment printed in this report and considers the bill, as amended, as read. The resolution waives all points of order against the bill, as amended. The resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

Although the rule waives all points of order against consideration of the bill (except for those arising under clauses 9 or 10 of Rule XXI), the Committee is not aware of any points of order against consideration of the bill. The waiver of all points of order against consideration of the bill is prophylactic in nature. The waiver of all points of order against the provisions in the bill, as amended, includes a waiver of clause 5(a) of Rule XXI (prohibiting tax or tariff provisions in a bill not reported by a committee with jurisdiction over revenue measures).
