RE: Notification of Nutritional Support Statements

Dear Sir or Ma'am:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Potassium Iodide dietary supplement. Source Naturals® is the manufacturer of Potassium Iodide.

Statements being made in the labeling of Potassium Iodide:

- (1) Source Naturals Potassium Iodide may be used when it is desirable to maintain a high level of beneficial iodides in the thyroid gland.
- (2) Iodide is a form of iodine that is preferentially taken up by the thyroid gland.
- (3) This product also supports the body's normal detoxification processes, including the removal of heavy metals.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
