RE: Notification of Nutritional Support Statements

Dear Sir or Ma'am:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Coral Calcium Multi-Mineral Complex dietary supplement. Source Naturals® is the manufacturer of Coral Calcium Multi-Mineral Complex.

Statements being made in the labeling of Coral Calcium Multi-Mineral Complex:

- (1) Coral Calcium Multi-Mineral Complex is a rich blend of minerals from coral and other mineral sources.
- (2) It contains high quality, highly assimilated forms of the minerals involved in hundreds of important metabolic reactions including bone formation, energy production, neurotransmitter activity and maintenance of blood alkalinity.
- (3) An initial study on an alkaline mineral blend demonstrated an increase in blood alkalinity (pH) and buffering capacity.
- (4) Proper alkalinity (pH) of the blood is critical for the overall health of the body.
- (5) Source Naturals Coral Calcium Multi-Mineral Complex is eco-friendly: it is harvested in Okinawa, Japan from fossilized (dead) coral and is not harmful to living coral.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
