I. Ref: AquaXtra™ Supplement

Dear Sir and/or Madam:

This is a notification pursuant to Section 403(r)(6)(C) of the Federal Food, Drug, and Cosmetic Act that LeNature's, Inc., 11 Lloyd Avenue, Latrobe, PA 15650, has, within the past 30 days, begun marketing its AquaXtra™ product using the following statements:

With five essential vitamins, three important minerals, just a splash of natural fruit flavor, purified Le\*Nature's water and nothing artificial, AquaXtra™ quenches your thirst and fortifies your body without any unwanted calories.

Our three B vitamins support and help maintain a strong nervous system and healthy blood cells. Folic Acid is important to women during childbearing years. Vitamin C is an important anti-oxidant while calcium, magnesium and potassium contribute to strong bones and healthy muscles.

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

The information contained herein is a complete and accurate representation of the product named. LeNature's, Inc. has substantiation for the statements of nutritional support based on scientific literature which render those statements truthful and not misleading.

Sincerely,

  
Joan Rozzo

Director, Advertising/Communications
