Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Soy provides support as women age.
- (2) It has also been shown in numerous studies to help maintain a normal cholesterol level in persons who already have normal cholesterol levels.

These statements are made for a dietary supplement containing brown rice syrup, pure wildflower honey, soy protein, almond butter, soy nuggets, textured soy protein, rolled oats, dry soy milk, glycerin, sesame seeds, soy bean lecithin, flaxseed oil, natural almond flavor, soy bean powder, magnesium lactate, extra virgin olive oil, natural licorice extract, and pyridoxine hydrochloride.. The name of the dietary supplement is Soy Almond Crunch StandardBar®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
