RE: Dietary Supplement Statement of Support Notification

To: Whom It May Concern:

Nutritional Specialties, Inc., 1456 E. Katella Ave. Anaheim, CA 92805, the distributor of the following dietary supplement products, intends to make the following statement of support: "The all natural ingredients in Choles-Control II helps to maintain cholesterol levels that are already within the normal range as reported in a number of published human clinical trials." This claim is being made for Policosanol-Bee's Wax Extract. Which is contained in LifeTime® Natural Choles-Control II Capsules. This submission is being made in compliance with the requirements of 21 CFR 101.93.

The undersigned is an authorized representative of Nutritional Specialties, Inc. and certifies that the information contained in this notice is complete and accurate, and that Nutritional Specialties, Inc. has substantiation that the above statement is truthful and not misleading.
