RE: Notification of Nutritional Support Statements

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Advanced-One™ Multiple No Iron, a dietary supplement. Source Naturals® is the manufacturer of Advanced-One™ Multiple No Iron.

Statements being made in the labeling of Advanced-One™ Multiple No Iron:

- (1) Advanced-One™ No Iron is a potent one-tablet-a-day multi-vitamin.
- (2) In addition to a potent foundation of vitamins, Advanced One includes the "core four" liver nutrients - N-acetyl cysteine, Lipoic acid, Silymarin and Coenzyme Q10.
- (3) We have also included significant cutting edge ingredients for daily health and energy not typically found in other one-a-days, such as Ginkgo biloba, Grapeseed Ext., MSM, Quercetin, Bilberry Ext., Green Tea Extract, and Siberian ginseng.

To the best of my knowledge, and based upon information and belief present at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
