Re: 21 U.S.C. Section 343(r)(6), Notification of Statements on Dietary Supplements

Dear Sir/Madam:

I hereby notify the Food and Drug Administration ("FDA") of the use of statements of nutritional support in the labeling of Gr8-Dophilus, a dietary supplement.

Statements being made in the labeling of Gr8-Dophilus

(1) NOW Gr8-Dophilus is a combination of eight different species of beneficial bacteria designed to support gastrointestinal health and immune system function. Because the capsule is enteric coated, NOW Gr8-Dophilus delivers its microflora directly to the intestines, bypassing the harsh acidic conditions of the stomach. NOW Gr8-Dophilus is dairy-free and stable at room temperature, requiring no refrigeration.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. NOW Foods possesses substantiation that the statements are truthful and not misleading.
