Re: 21 U.S.C. Section 343(r)(6), Notification of Statements on Dietary Supplements

Dear Sir/Madam:

I hereby notify the Food and Drug Administration ("FDA") of the use of statements of nutritional support in the labeling of Omega 3-6-9, a nutritional oil supplement.

Statements being made in the labeling of Omega 3-6-9

- (1) Omega 3-6-9 is a blend of Fish, Borage, and organic Flax Seed Oils. This combination of well-known nutritional oils provides a unique balance of Omega-3 and Omega-6 Essential Fatty Acids and Omega-9, a non-essential, but beneficial fatty acid. The Omega-3's, α -LNA, EPA, and DHA and the Omega-6, GLA, are necessary for the maintenance of cardiovascular, nervous system, and skin health. Oleic Acid, an Omega-9, has also been shown to promote a healthy vascular system.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. NOW Foods possesses substantiation that the statements are truthful and not misleading.
