Re: 21 U.S.C. Section 343(r)(6), Notification of Statements on Dietary Supplements

Dear Sir/Madam:

I hereby notify the Food and Drug Administration ("FDA") of the use of statements of nutritional support in the labeling of Whey Protein Isolate, a protein supplement.

Statements being made in the labeling of Whey Protein Isolate

- (1) Whey Protein Isolate is a high quality protein supplement that is both bioavailable and easily digested. Whey Protein contains a high concentration of Branched Chain Amino Acids (BCAA's), which are important for efficient muscle metabolism. These qualities make NOW Whey Protein Isolate an ideal supplement for active individuals.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. NOW Foods possesses substantiation that the statements are truthful and not misleading.
