April 25, 2002

Dear Sir or Madam:

This letter will serve as a 30-day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on the Siberian Ginseng supplements under the PhysioLogics brand name:

- Supports physical performance and immunity.
- Long celebrated in Russia and Asia for its restorative qualities, Siberian Ginseng has been recognized for its ability to promote well being.
- Siberian Ginseng contains complex polysaccharides – sugars that help give Siberian Ginseng its adaptogenic qualities.
- World famous for its ability to support physical performance, Ginseng is also gaining a reputation as an immune support herb.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Ona Scandurra, MS, RD  
Director of Nutrition Communications
