Dear Dr. Charache:

This is to acknowledge receipt of your letter of October 9, 1972, requesting postponement of the Final Regulations on Antibiotic Susceptibility Discs as published in the Federal Register of September 30, 1972.

I should like to point out to you that the document directs that objections and requests for hearings should be filed (preferably in quintuplicate) with the Hearing Clerk, Department of HEW, Room 6-88, 5600 Fishers Lane, Rockville, Md. 20852. I have made the necessary copies and sent them to the Hearing Clerk for formal evaluation.

Sincerely yours,

William W. Wright, Ph.D.
