RE: Label Claims/Disclaimers

Dear Mr. Moore:

This letter is to notify you that Enzymatic Therapy, Inc. at 825 Challenger Drive, Green Bay, Wisconsin 54311 is a distributor and has included statements provided for by section 403(r)(6) of the Food, Drug, and Cosmetic Act on the labels of the following product. These claims are not necessarily for a product we currently market or plan to market in the immediate future, and may be exploratory in nature.

COMPANY	PRODUCT NAME	DIETARY INGREDIENTS	STATEMENTS
Enzymatic Therapy, Inc.	Fiber Delights™	Proprietary Fiber Blend: enriched inulin fiber (inulin and fructooligosaccharides (FOS) from chicory root) and oat (Avena sativa) bran fiber	Fiber Delights delivers a significant portion of the recommended daily intake of fiber while minimizing the side effects normally associated with fiber intake.*

I certify that the information contained in this notice is complete and accurate and that Enzymatic Therapy, Inc. has substantiation that the statements are truthful and not misleading.

Dear Mr. Moore:

This letter is to notify you that Enzymatic Therapy, Inc. at 825 Challenger Drive, Green Bay, Wisconsin 54311 is a distributor and has included statements provided for by section 403(r)(6) of the Food, Drug, and Cosmetic Act on the labels of the following product. These claims are not necessarily for a product we currently market or plan to market in the immediate future, and may be exploratory in nature.

COMPANY	PRODUCT NAME	DIETARY INGREDIENTS	STATEMENTS
Enzymatic Therapy, Inc.	Fiber Delights™	Proprietary Fiber Blend: enriched inulin fiber (inulin and fructooligosaccharides (FOS) from chicory root) and oat (Avena sativa) bran fiber	Dietary fiber plays many important roles in health, including providing bulk to feces, which aids elimination and supports regular bowel movements; and supporting metabolic activity in the body by inhibiting cholesterol absorption and slowing glucose absorption in the small intestines.*

I certify that the information contained in this notice is complete and accurate and that Enzymatic Therapy, Inc. has substantiation that the statements are truthful and not misleading.
