Re: UroVite™ Dietary Supplement Descriptive Claim
Notice of Corrective Action

Dear Mr. Foret:

I am providing this notice on behalf of D. Russell Locke, President of StarCor Pharmaceuticals, Inc., in response to your letter of March 26, 2002, regarding our prior notice of descriptive claims for the above referenced dietary supplement.

It is not StarCor's intention to make a disease claim for the above referenced dietary supplement. Therefore, StarCor has taken corrective action to delete the claim, "Enhanced antioxidant capacity for free radical and carcinogen neutralization," from all marketing and other descriptive literature for UroVite™.

Thank you for your assistance in this matter.

Sincerely,

Paula A. Willis
Corporate Counsel
StarCor Pharmaceuticals
