OXYDRENE™

(Crenulin-RCC™)

The Clinically Proven
Deep Tissue Oxygenator*

Since its introduction into the U.S. market, Oxydrene™ is fast becoming the most sought-after compound among body-builders who want to maximize muscle growth, baby boomers who fear slowing down, dieters who want to speed up fat loss, as well as Viagra** users and their partners who have discovered that stamina and endurance are the key to total fulfillment.* How can all these diverse groups find satisfaction in the same Oxydrene™ formula? The answer lies within Oxydrene's™ clinically proven ability to increase oxygen saturation of blood and tissue. Oxydrene™ helps provide the cellular oxygen required to increase time to exhaustion, decrease recovery time and delay muscle fatigue associated with oxygen depletion.* In other words, Oxydrene™ provides you with the power to keep going.

Tested under verified hypoxic conditions.
