Dear Sir or Madam:

This letter will serve as a 30-day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on the NADH supplements under the PhysioLogics brand name:

- Promotes Cellular Energy
- A Potent Antioxidant
- Highly Bioavailable
- NADH, Nicotinamide Adenine Dinucleotide, is vital for many biological reactions in the body and is found naturally in every living cell.
- NADH is the key coenzyme that promotes energy production in cells.
- NADH also acts as a potent antioxidant to help neutralize harmful free radicals in cells.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Ona Scandurra, MS, RD

Director of Nutrition Communications
