Re: 21 U.S.C. Section 343(r)(6), Notification of Statements on Dietary Supplements

Dear Sir/Madam:

I hereby notify the Food and Drug Administration ("FDA") of the use of statements of nutritional support in the labeling of Heartburn Formula, a dietary supplement.

Statements being made in the labeling of Heartburn Formula

- (1) Heartburn is an organic kosher herbal supplement specially formulated to support healthy digestive function. Amylase is a naturally occurring digestive enzyme, and Calcium Carbonate is included as a natural antacid to balance stomach pH. Meadowsweet is an herb with a long history of use in many different cultures.

To the best of my knowledge, and based upon information and belief present at the time of the executing of this notice, I certify that the above information is accurate and complete. NOW Foods possesses substantiation that the statements are truthful and not misleading.
