**Subject:** 10/28 Satellite Conference Participants

First, I want to thank all of you for coordinating downlink sites for the 10/28 satellite conference on the last of the BT regulations. I know it was no easy task. But you did it and you did it well! I don't know what the agency would have done without all of you! Good job!

One last request from CFSAN and that is could you please forward a list of the participants who attended your downlink of the 10/28 satellite conference on the BT regulations to Marion Allen in the Food Safety and Security Staff and to Jennie Butler in Dockets?

Thanks for your help.
