 Call toll-free: 1-800-898-5163  
 Directions: Take two capsules with a full glass of water, three times per day: morning, noon, and early evening. Do not exceed 6 capsules per day.

The recommended serving is two capsules three times a day, which is the exact serving used in the clinical trials. However, many people who are sensitive to stimulants have reduced the serving as low as one capsule twice a day and have still seen results. As with many ingestible compounds, each individual reacts differently to Gut Cutter™. The effective serving depends upon a person's body weight, metabolism, and overall health. You may want to start with one Gut Cutter™ capsule twice a day and gradually increase the serving (up to the recommended level) until you find what works best for your body.

**NOTE:** For additional information on this or any other Urban Biologics™ product, please call our experienced customer service representatives at: 1-800-898-5153.

Use only as directed.  
 Store at controlled room temperature 15°-30°C/59°-86°F
